Michael,

I did receive the first email. For some reason it was delayed before showing up in my email program inbox.

Thanks  
David

Subject: Yakima Valley: Third Party Review - Materials for Review

Thank you again for volunteering to be a third-party reviewer of the Lower Yakima Valley Report.

If possible we are requesting you complete your review and return your comments by Friday January 13th. If you are not able to complete your review by that time please give me a call and we can discuss.

If you have any questions during your review please contact me (206-553-1597) or email

I will be out of the office next week. If have any questions about the report, figures, tables etc, please call Sheila Fleming (206-553-1417) or email her (fleming.sheila@epa.gov).

Because of the size of the figures for the report I will be sending two emails. I apologize in advance that some of the formatting of the report (e.g., tables spread over two pages).

First email.

1. Charge for the review:

(See attached file: Charge to third party reviewers December 16 2011.docx)

2. Report: This is the main text for the report.

(See attached file: Lower Yakima Valley Draft Report December 16th 2011.docx)

3. Figures 1-10

(See attached file: Yakima Report Figures 1 to 10 December 16 2011.pdf)

Second email

1. Figures 11-15

2. Appendix A (this has all the data)
3. Tables 1, 13, and 14 (they are too large to fit into the main report)

Thank you again for agreeing to review this document. I will give you a call when I return on December 27th.
